

Clean and Care Guide for Toilets including Seats

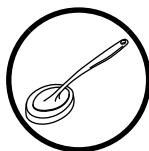

Cleaning Instructions

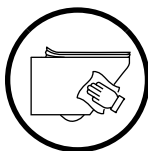

Note: Use soft microfiber cloth to clean the top inner surface of the true rimless bowl.

- ☐ Wet the toilet bowl and seat surface with clean water.
- ☐ Pour the recommended cleaning solution onto the surface and spread it evenly using a sponge brush.
- ☐ Wait for 5 minutes after applying the solution.
- ☐ Gently scrub the surface using the sponge brush for 60 to 90 seconds.
- ☐ Rinse thoroughly with clean water.

DO

Use sponge brush only.

Use recommended cleaners.

Wipe and dry using microfiber cloth.

- ☐ Clean the product with a soft sponge brush and clean water.

DO NOT

DO NOT use abrasive material.

DO NOT use harsh chemicals.

- ☐ Do not use bleach, solvents, pine oils, or chlorine-based products.
- ☐ Avoid hard brushes or abrasive pads.
- ☐ Keep grooming and accessory care products like nail polish, aftershave, hair dye, and shoe polish etc. away from the product.
- ☐ Do not use aerosol sprays or harsh chemical cleaners.
